GARLAND

With the stirring memory of the incident at Waco in 1951 which gave the Colts their first State Championship in the history of Arlington High School still in mind, the 1952 Colt Squad opened the season against Garland.

The outstanding player of the night was Richard Duke, a converted guard, who snagged two passes for runs of five and fifteen yards which accounted for two of the Colts' touchdowns. Stephen Spears, a converted half-back, also snared a pass from "Slick" Glasgow for a run of twenty-five yards and a third Colt touchdown. With Glasgow adding one extra point to the total, the Colts came out on top of a 25-0 final score with the Owls in the season's opener.

IRVING

With the opening game with the Garland Owls won and behind them, the Colts from AHS were host to the Irving AAA Tigers.

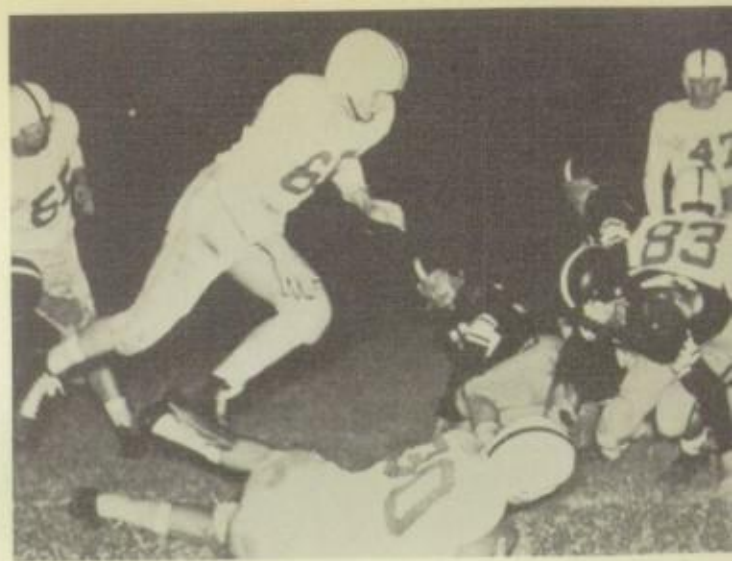

The Tigers were the first to cross the Colt goal line in the 1952 season, as Bruce Outlaw picked up fifty-nine yards in the first quarter to make it a 6-0 ball game at the end of the first period. The Colts were soon to catch fire and come back; as early in the second quarter they drove 46 yards in 6 plays with Glasgow going over for the touchdown from the Tiger six yard line. Glasgow connected the extra point and the Colts were ahead 7-6. A Tiger fumble recovered by John Dennehy on the Irving 49, paved the way with the Colts' final touchdown in the second quarter. John Dennehy went over to score from the 1 yard line, though Glasgow's extra point try was wide to the right. The half then ended with the Colts on the big end of a 13-6 score.

The scoreless second half brought out the importance of the fine defensive, as well as offensive play of the rugged Colt forward wall.

HILLSBORO

The Colts traveled to Hillsboro on October 7 for their third game of the season against the Eagles of Hillsboro High.

The Colts scored early in the first period with a touchdown pass from Glasgow to Martin and the Colts led 6-0 with Glasgow's failure to convert the extra point. The Eagles then tied the ballgame up 6-6 mid-way in the first half. Late in that same half another Colt score was set up with a 30 yard pass from Glasgow to Gassaway to the one, with Glasgow going over two plays later. Glasgow's kick was good and the first half ended with the Colts leading 13-6. The Eagles scored again in the second half to make the score read 13-12, but Glasgow clinched the game by scoring from the two yard line. With the clock running out, the game ended with the Colts on top of a 19-12 decision.

WEATHERFORD

October 10th the Colts were host to their second AAA foe of the year. The "Roos" from Weatherford handed the Colts their first defeat of the season with a score of 13-7.

Despite the hard charging Colt line, consisting of Spears, Hufford, Norman, Walker, Terry, Finch, and Duke, and the hard running backs by the name of Glasgow, Martin, McMaster, and Dennehy, the "Roos" came out on top of this hard fought game.

After a scoreless first half, the Colts scored when Gary Martin broke through the center of the Weatherford line for 25 yards, with Glasgow going over on the fourth down. Glasgow's kick was good and the Colts led 7-0. The "Roos" came back in the last quarter to score twice and make one extra point to hand the Colts the shocking end of a 13-7 decision.

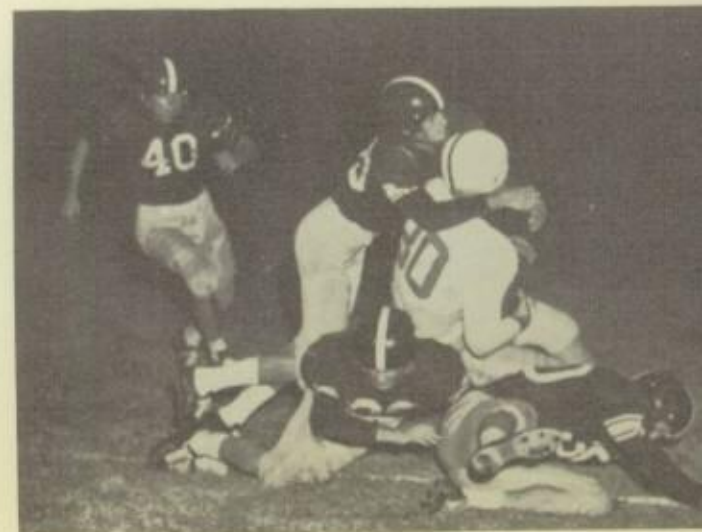

TERRELL

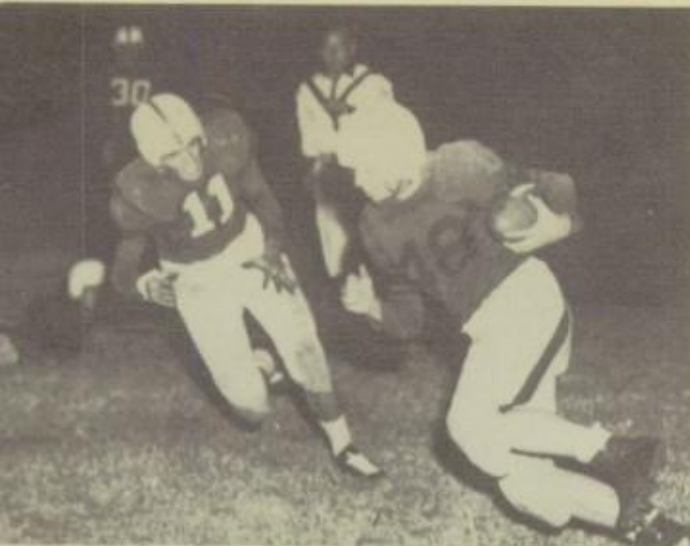

The Colts traveled to Terrell October 17, only to be set back for the second time in so many weeks, to the tune of 34-6 by the mighty Tigers.

The rampaging Terrell Tigers scored a total of five times with four conversions for extra points. The Tigers rolled chiefly behind the brilliant running of James Harris and Lavon Cox.

The Colt offensive finally caught fire in the third quarter to drive 60 yards in fifteen plays, with John Dennehy running over from the two for the score.

Although outclassed, the Colts made a good showing. Outstanding players of the night were Richard Narcho, fine defensive back, and big Larry Hufford, giant hard charging tackle for the Colts.

DIAMOND HILL

The Colts took a big step toward retaining their district crown by defeating the Diamond Hill Eagles 6-0 October 24 at Handley.

The Colts seemed to have their hands full with the hard running of Kenneth Bannister and Frank Praslicka as the first half ended scoreless. A major factor in favor of the Colts was their fine defensive play and especially on the part of Bobby Walker, who intercepted an Eagle pass on the Colt 20 yard line, therefore bringing to a halt an Eagle drive deep in Colt territory.

The Colts finally scored in the third quarter, with Ken McMaster going 46 yards for the touchdown. The Eagles threatened in the closing moments but fine defensive play by Glasgow, Hufford, Finch, and Norman stalled the Eagle attack and the game ended 6-0 in favor of the Colts.

WHITE SETTLEMENT

The encounter with the Brewer Bruins was originally scheduled to be played at Brewer, but because of lack of facilities the game was played here at Arlington.

The Colts had practically no trouble at all building up a 13-0 lead in the first quarter, and then Coach Mayfield Workman turned the game over to the reserves. Bud Heinlein set up the third Colt touchdown when he intercepted a pass on the Bruin 25 yard line. He then scored from the five several plays later. A fourth Colt touchdown was scored by Weldon Hall in the final period on a 38 yard scamper. The Bruins finally pushed over one score in the final period for their only tally.

The game then ended 25-6 in favor of the Colts with Brian Johnson heralded as the outstanding lineman of the night.

HANDLEY

The Colt's powerful line led by "Foots" Hufford, Hayden Terry, Dan Norman, and Jim Finch led the Colts running attack to a smashing 14-0 victory over the Handley Greyhounds November 7 at Memorial Stadium at Arlington.

The first Colt score came when Glasgow gambled on a fourth down on the Handley 44 yard line. "Slick" scampered around left end to score standing up. It was then a game of punt and fine defensive play until Ken McMaster sneaked across from the Handley five for the final touchdown.

The Greyhounds gave an impressive account for themselves, but the Colts were just too much for them, as shown by the impressive 14-0 final score.

BIRDVILLE

The Colts opened their final home game of the 1952 season against the Birdville Buffs.

The Colts roared into the encounter with a total of four touchdowns in the first half; made by Spears, MacMaster, Glasgow, and Gassaway. Two of these touchdowns were made on passes from Glasgow, and the others by runs of three and four yards. Glasgow attempted all four extra points, converting three of them. The Colts again scored in the final period with a fine run by Ken MacMaster, with Glasgow kicking his fourth conversion of the evening. The Buffs scored their only touchdown in the third period.

The end of this game brought to an end the "hometown" careers of such well known figures in Colt football circles as Ray "Slick" Glasgow, Larry "Foots" Hufford, Gene Cootes, John Dennehy, Stephen Spears, Douglas Gassaway, Ken McMaster, Gary Martin, John Burnum, and Bud Heinlein. These stalwart members of the Class of '53 will be remembered down through the years by many of us.

The score of this final home game was a fitting 34-6 in favor of the Colts.

MINERAL WELLS

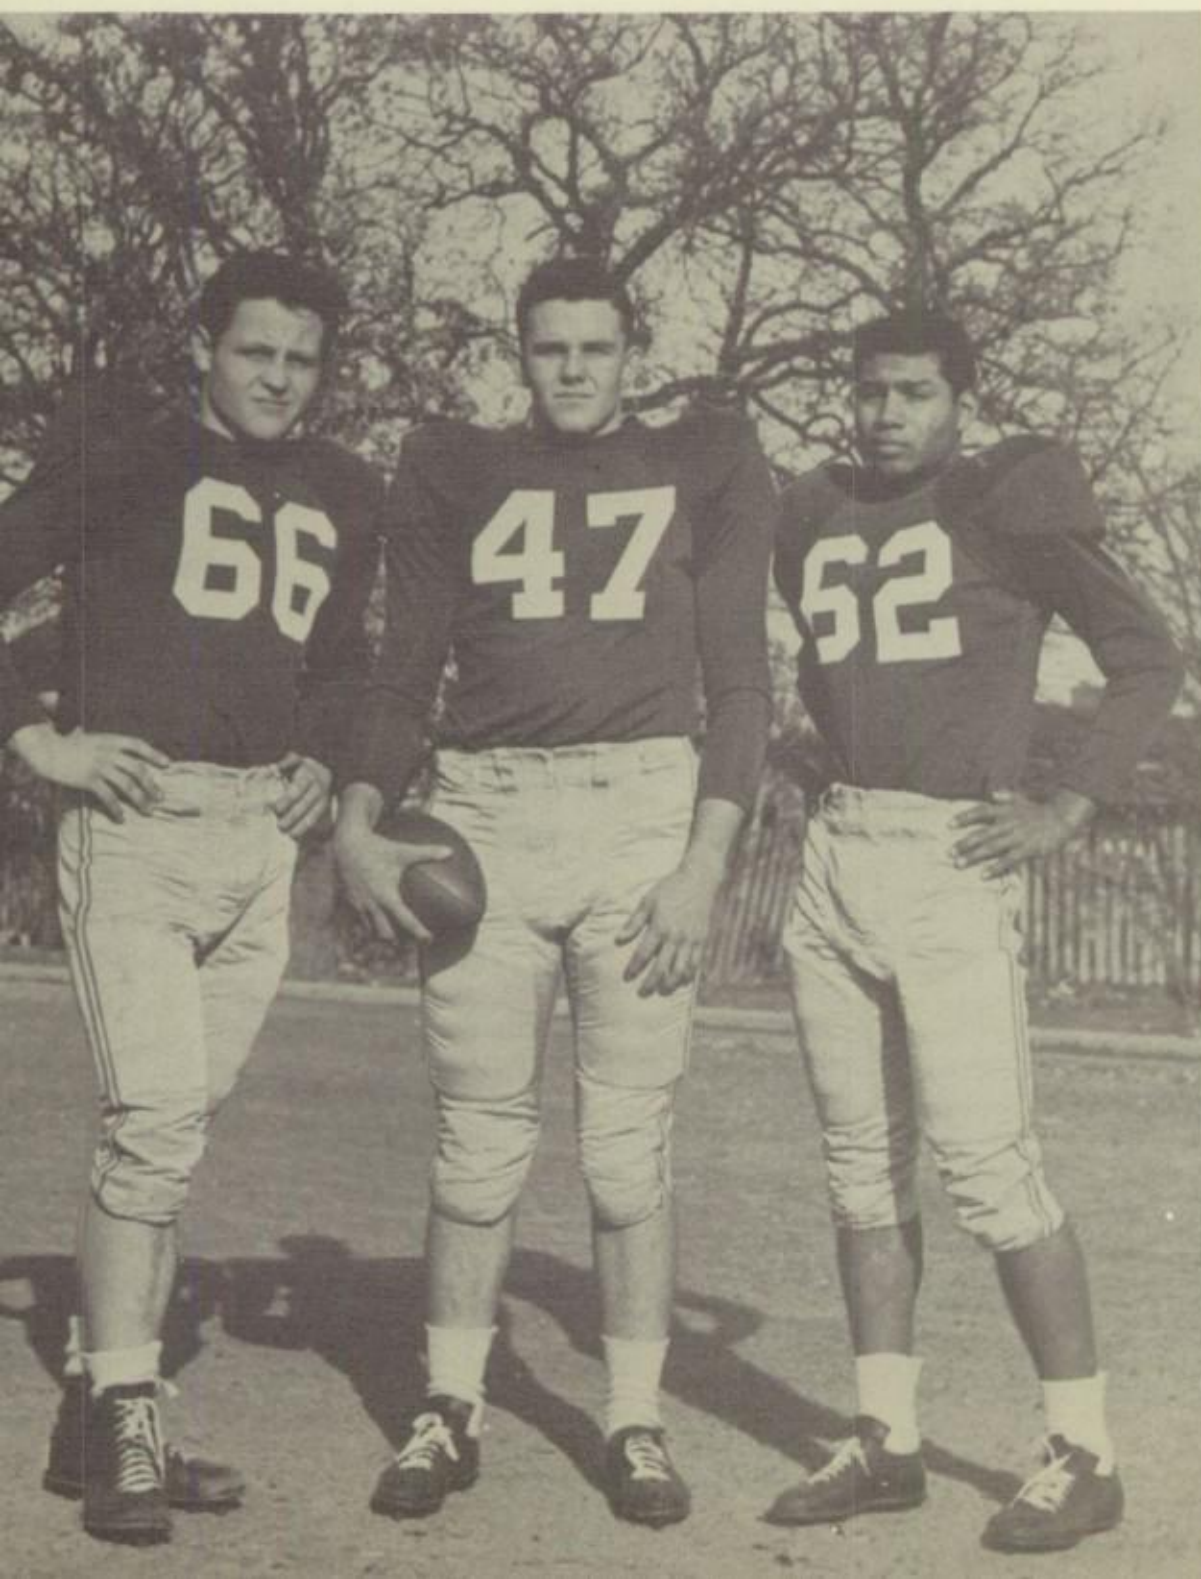

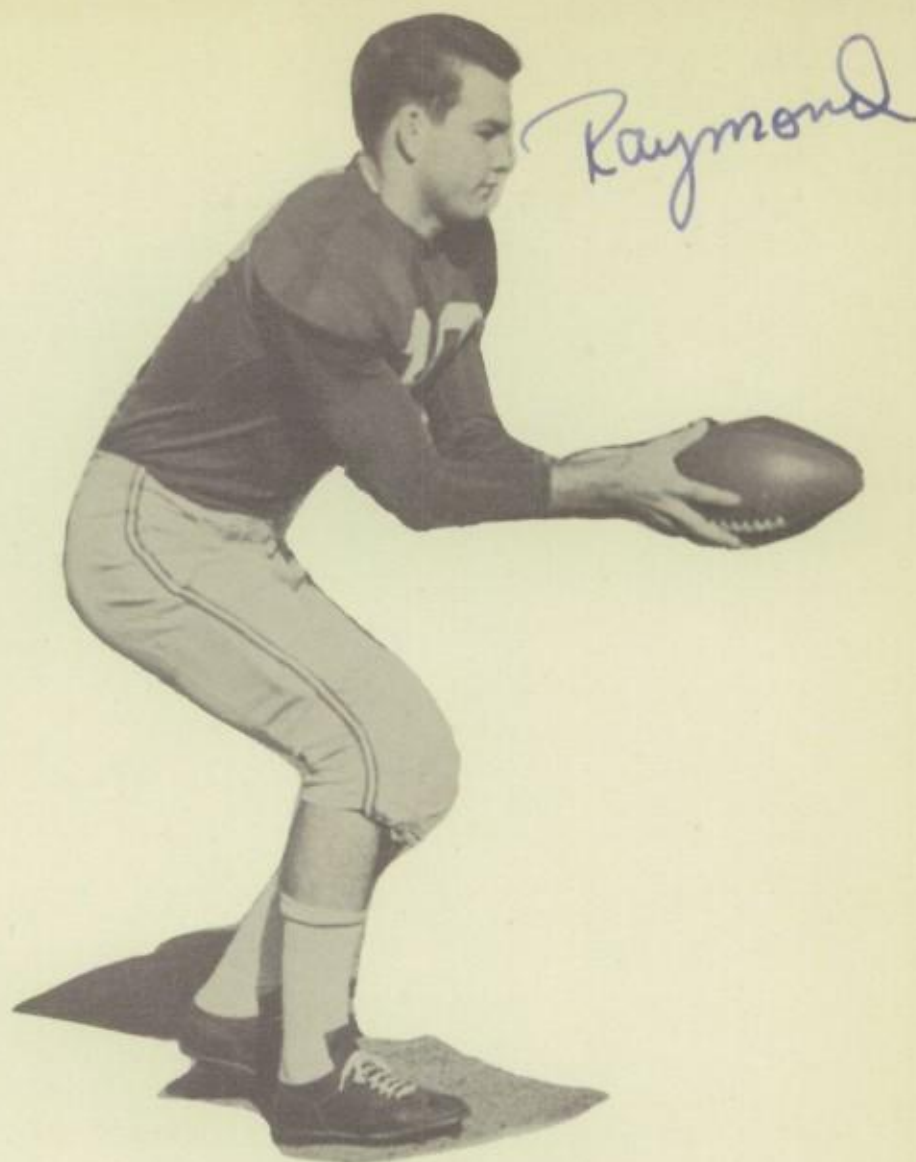

The Mountineers of Mineral Wells brought to a close the Colts' domination of the 11AA crown for the past three years.

The Powerhouse of Mineral Wells rolled over the Colts time and time again to roll up a total of five touchdowns and two conversions for a total of thirty-two points. The best the Colts could do was thirteen points when "Slick" Glasgow counted for both Colt counters, one in the second and the other in the third quarter. He converted one extra point making the Colt total.

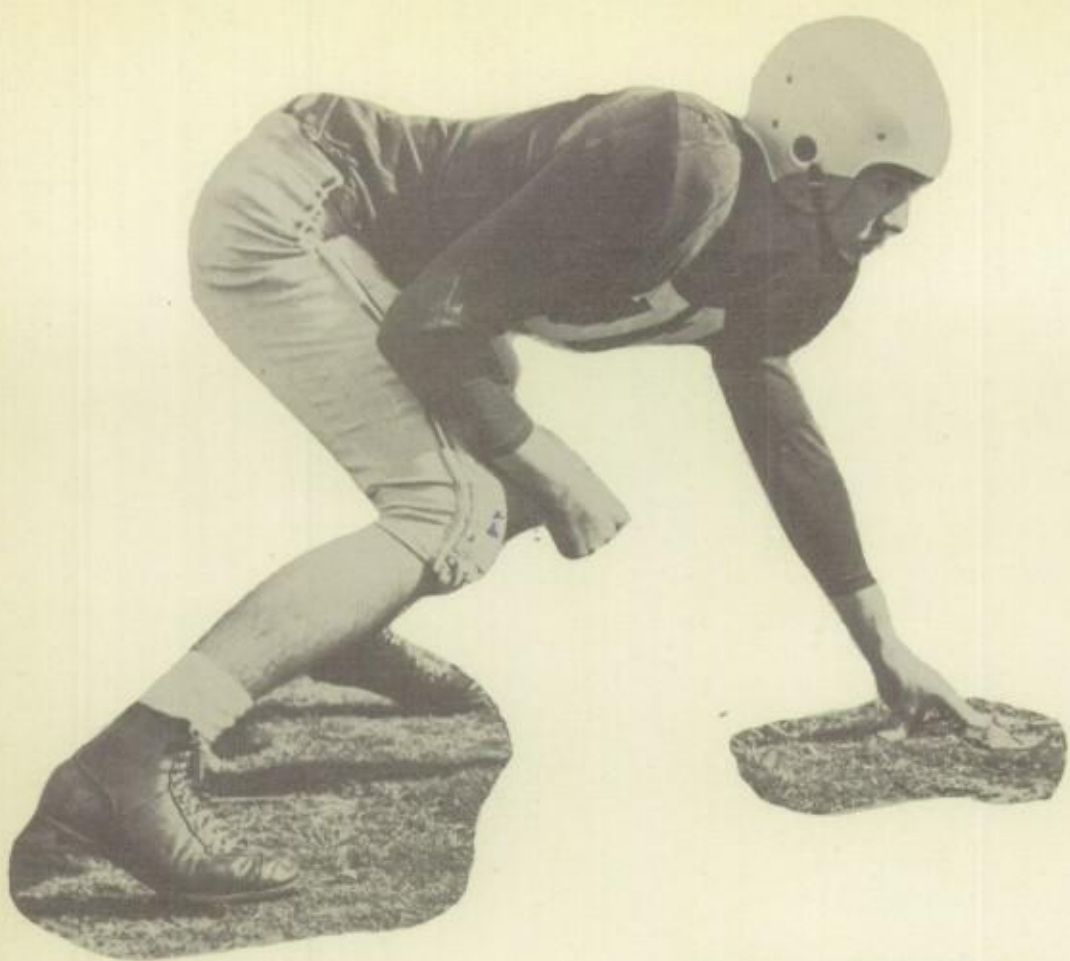

Tony Munger was the thorn in the Colts' side as he led his team-mates to the 32-13 win over the Colts, and the District 11AA crown.

RAYMOND GLASGOW does it again. As quarterback for the Colts for the past four years he has been considered one of the best high school "T" quarterbacks in the state. Co-captain Raymond did the kicking, punting, passing and often the running when he shifted to fullback during this last season. For the past two years he has been on the mythical All-District team. Last year he received honorable mention on the official All-State team. This year he was chosen to the first string on the All-State Team.

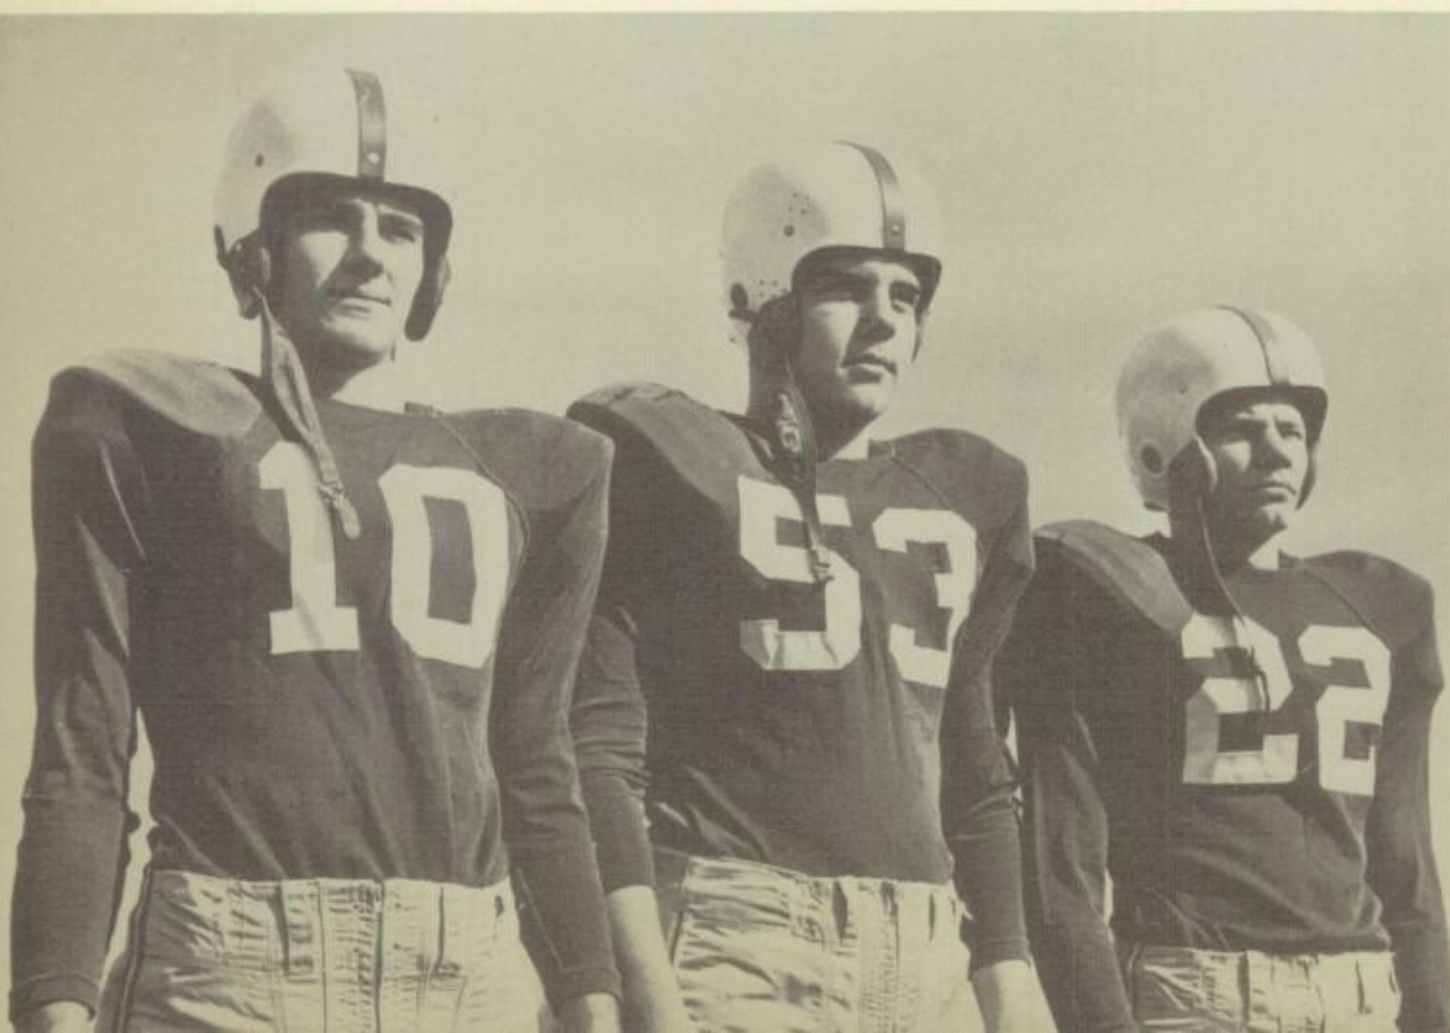

Good luck, Raymond, for a bright future!

Lineman DAN NORMAN received a berth on the Dallas Morning News second team for his steady work on the Colt line. JOHN DENNEHY, Colt fullback was given honorable mention on the same team. Also chosen to the second string was RICHARD NARCHO.

LARRY HUFFORD, faithful tackle of the same mighty team which has gone so far in past seasons, was chosen for the All-District team. Larry, Co-captain of the Colts was a stalwart in the Colt line for the past three years.

Receiving honorable mention on the Dallas Morning News team were GARY MARTIN and JOHN DENNEHY. Though not pictured, STEPHEN SPEARS and BOBBY WALKER received this same honor. These boys helped considerably in pacing the Colts to victory. KENNETH McMASTERS, one of the leading scorers and mighty men on the Colt team was selected on the second string.

Arlington's Colt Basketball team in 1953 had a fairly successful season, though bad breaks and upsets did not bring to A. H. S. any material evidence of victory. The Colts finished in second place with a 6-4 record in district play.

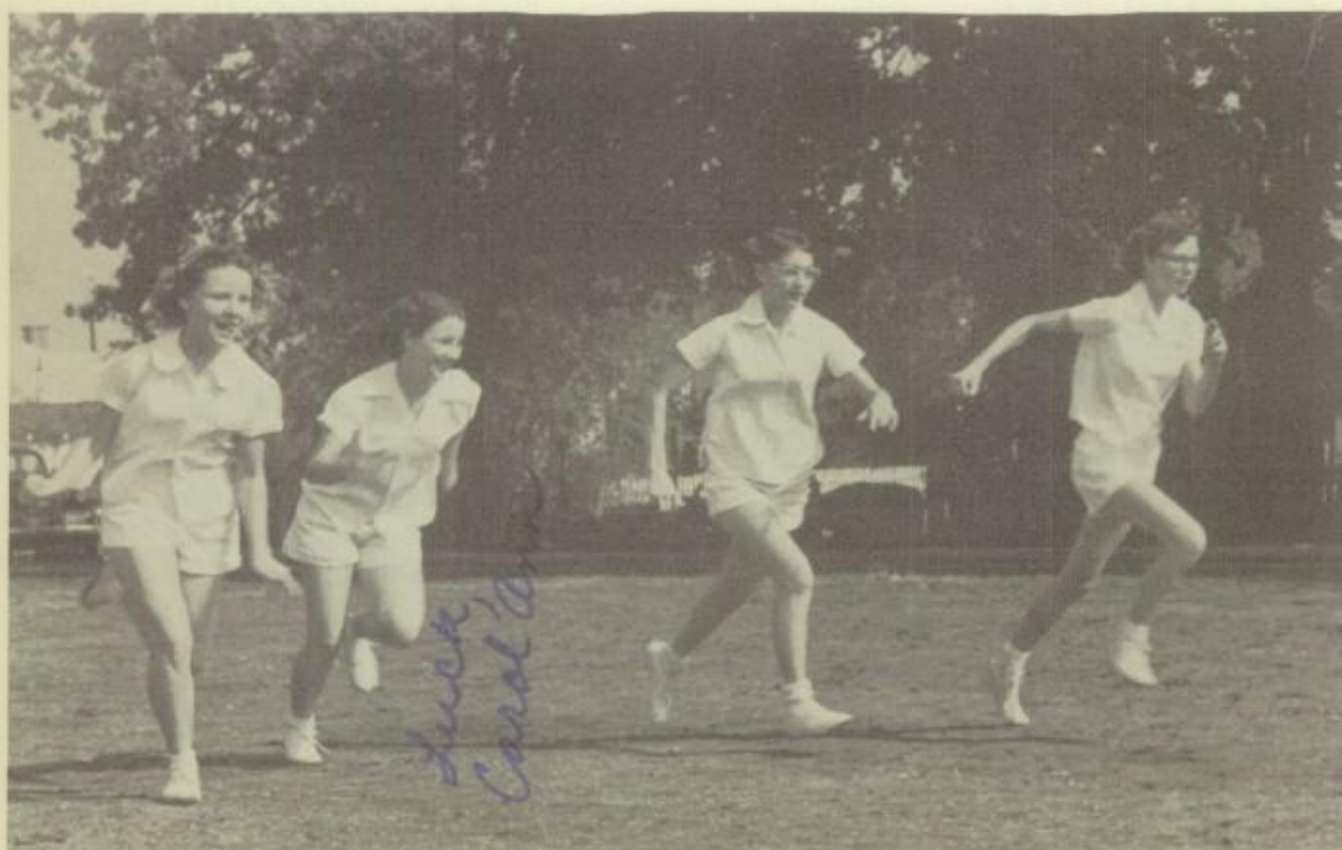

The Colt squad, consisting of Kurt Meyer, Ray Glasgow, Valton Crossnoe, Ken McMaster, Richard Narcho, Kenneth Whitt, Dale Ellis, Jerry Collins, Paul Harris, and Jimmy Finch, played a fine brand of basketball throughout the entire season. Among the leading scorers of the district for the Colts were Kurt Meyer and Raymond Glasgow.

For the entire year the Colts had an impressive record of 13 wins and 12 losses, including tournament play. The Colts participated in the Garland, Waxahachie, and Dr. Pepper (Dallas) Tournaments, though they did not meet with exceptional success. Even with seven graduating seniors on the '53 squad, there promises to be a very fine basketball team to look forward to next year.

I've certainly enjoyed having you in my classes, especially English. Your "bright remarks" have kept the place alive. Your witty personality makes you an enjoyable person to be around. As I said in the theme, tho I hate to admit it, you're actually good-looking. May God bless you and give you much success.
